1. South Lane Farm agrees to provide the Buyer with one dose of frozen semen from the Hanoverian Stallion Providence in exchange for a fee of \$500 payable to South Lane Farm.
2. Buyer agrees to pay all shipping costs, including insurance coverage plus a \$300 handling fee (for cryogenic lab services) including the disposable container in addition to the semen cost, to South Lane Farm.
3. All fees are payable upon execution of this contract. Buyer specifically agrees and understands that no semen will be shipped until all fees have been paid.
4. South Lane Farm assumes responsibility only to deliver semen in a viable condition at the time of delivery. The semen MUST be administered by a licensed Veterinarian familiar with the concept and practical use of frozen equine semen. Attempts to use frozen equine semen outside the controlled situation of a qualified facility can greatly reduce, or even prevent, chances of conception.

A "dose" of frozen semen is defined as a single or multiple insemination units which includes a minimum of 350 million total sperm, which; upon proper thawing show at least a 30% post thaw motility. Insemination certificates will be provided to the Veterinarian. Breeding certificates will be issued to each mare upon South Lane Farm receipt of all properly completed and signed paperwork from the attending Veterinarian. Buyer agrees to hold harmless South Lane Farm and/or any semen distribution agents for South Lane Farm for any Injury or illness to mares associated in any way with the insemination of frozen semen provided by South Lane Farm.

Buyer specifically understands that South Lane Farm makes no guarantees or warranty as to the fertilizing capacity of any semen provided under the terms of this contract, either expressed or implied, however, known conception rates will be relayed to Buyer, and are given in good faith. Mare owner is responsible for ascertaining their mare's Registry's requirements for the use of frozen semen and subsequent registration of foals conceived thusly.
