

An opportunity for North American breeders to get a foal from the 6 yr old German Dressage Champion Callaho's Benicio, fresh semen will only be available for the Months of February and March in Europe

The following mares are being offered for a foal/pregnancy contract with Callaho's Benicio for 2013 foals, all mares are proven broodmares standing in Germany

Contract conditions:

1,000 Euros for the semen cost to be paid in advance, total indicated contract price is due 10 days after foaling with a vet check of the living foal.

If the mare does not catch / become pregnant you can change to another mare on this list. If the mare reabsorbs or the foal dies before the 10th day the client forfeits their 1.000. Euros semen cost and no further cost are payable.

Price includes all boarding expenses up to the time of weaning at the end of the summer 2013.
