

PROVIDENCE

PREMIUM HANOVERIAN STALLION

With excellent scope and technique Providence will be shown by Markus Beerbaum in his 5 yr. old season to go on to the German Championships. First show out Markus and Providence take a 1st and 3rd place, with an 8.5 and a 8.3 Providence descends from the classic warmblood jumping bloodlines of Pilot, Alme , Ramiro

Qualified for the 2010 Hanoverian Show Jumping Championships in Verden

2 Champion Foals out of only 10 foals born in 2009.

Providence produces leggy foals much like himself with power, excellent type, beauty and conformation.

The foals inspected were judged to be very athletic, with good legs and topline and to be of the best type

Providence was licensed and awarded a premium grading at the 2007 Hanoverian Stallion Licensing. Standing 16.3 , this chestnut Stallion has 3 very good gaits, excellent type, excellent jumping both in technique and scope combined with almost perfect conformation and class 1 x rays. Providence completed successfully his 70 day testing in August 2008 and is a fully **Approved Hanoverian Stallion**.

In partnership with world renowned Gestut Famos we have available for the North American market frozen semen from

Providence, Contendro I, Concetto Famos and Landstreicher
